Weekly - Sundays: Hip and handsome **Billy Nordmeier** (former GM of **Universal**) is debuting a new club night, **Circuit Sundays**, at the uber-swank downtown hot spot **SideBar**. Launching Valentine's day, the weekly alternative night is being billed as the *'other side of the Gaslamp'* where guests are invited to explore their inner-freak. Circuit Sundays will feature local and mainstream house music, edgy performance art and offerings from other like-minded partners. Whether you're a voyeur, an exhibitionist or just plain curious...bring your dancing shoes and an open mind, because Sundays will never be the same again. 8PM-1:30AM
